Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions. AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics achieve sobriety.

(Preamble from the AA Grapevine - Reprinted with permission.)

Please note: **CLOSED MEETINGS**

For AA members only, or for those who have a drinking problem and "have a desire to stop drinking".

There are meetings at various times of each day and night in the week in the area served by the fellowship. This list is confidential and published only for the purpose of locating meetings.
